

Linux Engineer

Location: Semarang, Indonesia

About this job:

To extend our support team in Semarang Indonesia Comsys (Pareteum) is looking for an additional engineer. Do you love technical challenges, research, solving problems, and customer satisfaction? In short: Are you that enthusiastic Linux Engineer who likes to join our service team?

Our section "Customer Service & Support" is responsible for helping and guiding the customers of Comsys. In addition, the department participates in projects and installations (often international customer sites). For the department of Customer Service & Support in Indonesia Comsys is looking for a Unix engineer. The employment place in Semarang Indonesia, is 40 hours a week. You report to the local manager.

What you'll do:

- As a Linux engineer, you are at the beginning responsible for the daily activities. For example system checks at customers, administrate the system customer setting, and report problems before they occur.
- Perform preventive maintenance on customers' systems on regular basis.
- Providing assistance and support to new projects.
- System installation, configuration, and implementation (on a remote base).

About you:

- Experience as a Unix engineer.
- Knowledge of Unix / Linux (one of the two is required).
- TCP / IP networking with proven experience in these areas.
- Preferred telephony knowledge, ISUP, ISDN, SIP.
- Knowledge of VMWare, Nagios, Apache, Tomcat, MySQL, Firewalls and Routers is preferred.
- Fluent English language in words and writing is mandatory.
- Flexible, no 9 to 5 mentality (because of shifted working times /time zones).
- Communication skills, and customer service.
- Can work independently as well as in a team.
- Do not think of problems but solutions.
- You need to live in or close to Semarang or are willing to relocate

We offer you:

- A highly versatile function;
- Good salary;
- Interim Contract (intention to permanent employment);
- Stimulating work environment, flexible working hours;
- International projects (for instance: Europe, Australia, South America);
- Excellent career opportunities in technology and organization;
- Motivated team in an informal and modern working environment;
- Good secondary work conditions.

Do you want this job, and do you have the required skills and experience?

Then we invite you to send your resume/cv and cover letter, both in English, to Recruiting@Pareteum.com. Please include the job number and title in the subject line of your email.
